

for heavy duty diesels

Super Diesel

Valvoline Super Diesel SAE 15W-40 is premium diesel engine oil, formulated to API CH-4, CG-4, SJ specifications. Developed to prevent oil thickening due to soot build up, Super Diesel also protects critical engine components from the effects of combustion.

- Combats the detrimental effects of high temperature deposits, while maintaining an extreme level of engine cleanliness.
- Resists thermal breakdown.
- Reduces deposit formation.
