

vehicle auto fragrances complete the detailing process

EAGLE ONE® AROMETRICS™ air fresheners contain essential oils that are perfectly blended to make the inside of your car smell great, but not overpowering.

The range offers four variants to ensure a fragrance to suit every preference where you have the power to control fragrance flow levels.

Escape reality with the refreshing tropical fragrance of **Island Coconut**, enjoy a delicate blend of summer berries with **Very Berry**, rejuvenate with the crisp citrus notes of **Lemon Lime Spice**, or relax with the spiritual malty fragrance of real **Vanilla Dream**.
