

for high rev engines

race proven technology

Valvoline VR-1 Racing motor oil is a race-proven lubricant formulated to provide high load carrying characteristics, minimum foaming and maximum resistance to thermal degradation. Valvoline VR-1 Racing motor oil is recommended for engines burning gasoline and full or partial alcohol fuels in track and street service. Valvoline VR-1 Racing motor oil is for use in any car, light truck, or van where API "SJ" is recommended.

- Exclusive chemistry reduces internal friction and enhances power output under extreme service conditions.
- Protects against high-temperature deposits
- ZDDP additive provides tough anti-wear protection.
- Formulated with enhanced anti-foam system.
